*"Experience the Quality"*

## *Why Choose Delden?*

- Knowledgeable and friendly staff makes your experience easy.
- Co-op advertising is available.
- Our salespeople have spent the majority of their professional career in the garage door industry.
- Delden Manufacturing is a stable and secure company that has been supplying garage doors, electric openers, parts, and accessories to dealers in the Midwest for over 50 years.
- Delden has a user friendly website designed to give our customers easy access. [www.deldenmfg.com](http://www.deldenmfg.com)
- We offer delivery and pick-up service.
- Delden pledges 100% customer total satisfaction.
- We employ our own in-house operator technician with over 40 years of experience.
- We offer 300+ styles of garage doors. Choose from Carriage House, Traditional and Commercial garage doors in Steel and Wood materials.
- Delden has one of the largest garage door, electric opener and parts inventories in the Midwest.
- Many of our residential doors feature our own Safe Plus Pinch Protection section joints designed to reduce the risk of serious finger and hand injuries.
- We are still an original family owned and operated business.
